# TERMS AND CONDITIONS

## BROBIZZ FRITID A/S STOREBÆLT

### 1. General

- 1.1 The current conditions apply in the relation between A/S Storebælt and the Customer and are an integral part of the Agreement regarding the Customer's use of the BroBizz under the "BroBizz Fritid" agreement ("The Agreement").
- 1.2 The Agreement remains in force until cancelled. The Customer can cancel the Agreement without notice, while A/S Storebælt can cancel the Agreement at one (1) month's notice. A/S Storebælt has the right, at any time, to change the current terms and conditions at one (1) month's notice.
- 1.3 The Customer must inform A/S Storebælt in writing of any changes to customer data so that A/S Storebælt remains in possession of the correct name, address and telephone number of the Customer. The Customer must also provide information about any changes to the debit/credit card used for the Agreement.
- 1.4 When taking out a "BroBizz Fritid" agreement, a BroBizz will be supplied to the Customer against a DKK 200 deposit for the BroBizz. The deposit will be repaid without interest upon cancellation of the Agreement providing the BroBizz is returned undamaged. The BroBizz remains the property of A/S Storebælt at all times.
- 1.5 If the Customer uses the BroBizz in a vehicle above 3,500 kg (a towing vehicle), the Customer is obliged to inform the company of this when taking out a "BroBizz Fritid" agreement. In such instances, the Customer can only use the BroBizz in the vehicle specified.
- 1.6 The Customer is obliged to ensure at all times that the Customer pays the price for passage that corresponds to A/S Storebælt's prices for the vehicle's weight and size. Should this not be the case, the Customer is obliged to inform A/S Storebælt of this in order that payment/repayment is made in accordance with the correct price for the vehicle in question.
- 1.7 The Customer is obliged to affix the BroBizz on the windscreen as shown in the instructions. Only one BroBizz may be in a vehicle when passing through the toll station.
- 1.8 During passage through the toll station, the Customer must use the lanes marked BroBizz.
- 1.9 The agreement is non-transferrable.
- 1.10 A/S Storebælt monitors the toll station with CCTV cameras and registers images of vehicles from such recordings. The vehicle must, therefore, have a legible number plate.

### 2. Using BroBizz on Storebælt

- 2.1 The BroBizz can be used for any number of passages across the Great Belt.
- 2.2 Prices for passage/services are determined in accordance with A/S Storebælt's price list, which can be found at [www.storebaelt.dk](http://www.storebaelt.dk).
- 2.3 The Customer is responsible for ensuring that the BroBizz is kept with due care. The BroBizz should be removed from the windscreen when the vehicle is not in use.
- 2.4 A/S Storebælt must immediately be informed if the BroBizz is lost. A/S Storebælt will subsequently block the Agreement so that the BroBizz can no longer be used.
- 2.5 The Customer can be made responsible for loss due to the unauthorised use of the BroBizz, with the limitations stipulated by current legislation with regard to payment cards.
- 2.6 Complaints from the Customer concerning passage across Storebælt must be made to A/S Storebælt as soon as possible.

### 3. Using BroBizz with A/S Storebælt's partners

- 3.1 A/S Storebælt works in a partnership with operators of toll roads and other transport-related services in Denmark and abroad. When using the BroBizz, the Customer, therefore, has the option to use the BroBizz as a means of payment for toll roads and other transport-related services operated by the partner organisations with whom A/S Storebælt has contracted agreements. Information about partner organisations and using specific toll roads and transport-related services is available at [www.storebaelt.dk](http://www.storebaelt.dk).
- 3.2 The Customer must inform A/S Storebælt in writing if he/she does not wish to use the BroBizz as a means of payment with A/S Storebælt's partner organisations.
- 3.3 If the Customer uses the BroBizz with one of A/S Storebælt's partner organisations, payment for the relevant passages made by means of the partner organisation is effected via A/S Storebælt, c.f. point 7. A/S Storebælt, however, merely acts as agent for the passage/service with A/S Storebælt's partner organisation, and the Customer is, therefore, exclusively responsible vis-à-vis the partner in questions regarding passage/service. A/S Storebælt thus bears no responsibility in this respect.
- 3.4 As far as possible, A/S Storebælt will assist the Customer with any questions or queries relating to the specific use of the BroBizz with A/S Storebælt's partner organisations. A/S Storebælt, however, will exclusively determine the extent of such assistance. Any customer complaints etc. with regard to the use of the BroBizz or other matters in connection with passage/service with one of A/S Storebælt's partners is, irrespective of the above, exclusively a matter between the Customer and the partner in question. The Customer's complaints etc. will, therefore, be handled and settled solely by the partner.
- 3.5 In the event of the customer lodging a complaint, etc. in relation to a passage/service with one of A/S Storebælt's partner organisations, this must be submitted no later than 30 days from the time the Customer becomes aware of the matter, including the debiting of passage/service. The Customer must, however, in all circumstances lodge his/her complaint no later than 60 days after the date the passage or service was made with A/S Storebælt's partner organisation.
- 3.6 A/S Storebælt offers no discounts for passage/service made with A/S Storebælt's partner organisations.

### 4. Use of BroBizz with other operators of toll roads etc.

- 4.1 A/S Storebælt partners other operators of toll roads and transport-related services regarding use of the BroBizz in connection with the Customer's passage by means of such operators, but where payment for passage etc. is effected through the other operator. In such cases, passage etc. is made on the terms and conditions that apply to the operator in question. Information about partners and the option of using specific toll roads and transport-related services can be found at [www.storebaelt.dk](http://www.storebaelt.dk).

### 5. Use of partner organisation's payment devices on Storebælt

- 5.1 If the Customer has signed a separate agreement with A/S Storebælt concerning the use of a partner organisation's payment device (corresponding to BroBizz) at Storebælt, the current standard terms and conditions apply to passage across Storebælt.
- 5.2 The Customer should be particularly aware of the following circumstances applying to the above-mentioned agreements in point 5.1:
  - (a) The Customer must inform A/S Storebælt in writing of any changes to customer data c.f. point 1.3.
  - (b) For the Customer's passage across Storebælt with the partner organisation's payment device, A/S Storebælt's payment terms apply c.f. point 6, and not the payment terms for A/S Storebælt's partner as mentioned above.

### 6. Payment terms - Storebælt

- 6.1 Payment for passage in accordance with the Agreement takes place immediately through the payment card which the Customer has provided for payment. Payment of the deposit for the BroBizz is effected in the same way.

### 7. Payment terms - A/S Storebælt's partners

- 7.1 Payment for using the BroBizz with a partner organisation, c.f. point 3, is through A/S Storebælt in accordance with the current prices of the partner organisation. Payment for passage/service takes place immediately after the use of BroBizz via the payment card that the Customer has provided for payment.
- 7.2 The price of passage/service with partner organisations is converted from foreign currency to Danish kroner at the official exchange rate as at the end of the preceding month with a supplement of 1%.
- 7.3 The Customer accepts that A/S Storebælt exclusively effects payment for the Customer's use of the BroBizz with a partner organisation. A/S Storebælt is not the contracting party with the Customer as far as passage/services at other localities than Storebæltsbroen is concerned.
- 7.4 In consequence, the Customer is responsible to the partner organisation for payment of passage/services, including in cases where the BroBizz is used unlawfully/lawfully by anyone other than the Customer him/herself.
- 7.5 If the Customer has entered an agreement with a partner organisation, the Customer is invoiced directly for passages/services under such agreements.

### 8. Breach of contract

- 8.1 In the event of serious breach of the Agreement, A/S Storebælt can cancel the agreement with immediate effect. In such cases, the BroBizz will immediately be blocked. The following circumstances are also deemed to be serious breaches:
  - (a) The Customer's failure to pay punctually
  - (b) Failure to provide information as mentioned under points 1.3, 1.5 and 1.6
- 8.2 If the Customer passes through A/S Storebælt's toll station without paying, the Customer shall, over and above the standard fee, pay a supplementary charge which is currently DKK 500.

### 9. Liability

- 9.1 A/S Storebælt is entitled to close the road link or temporarily halt traffic without prior notice for a period of time determined by A/S Storebælt if weather conditions or other circumstances, including strike action, necessitate it. The Customer cannot make any claims against A/S Storebælt as a consequence of this.
- 9.2 A/S Storebælt's liability vis-a-vis the Customer is governed by Danish law and A/S Storebælt assumes no further responsibility. A/S Storebælt's liability for anything other than personal injury or loss is limited to DKK 500,000 for each liability incident, which is defined as any event or series of events that have the same origin. A/S Storebælt is, therefore, not responsible for consequential loss, loss of profits or any other indirect loss nor do delays form a basis for claims for damages against A/S Storebælt.
- 9.3 Liability against A/S Storebælt's employees or other personnel covered by A/S Storebælt's employer's liability cannot be claimed beyond what can be claimed against A/S Storebælt.

### 10. Use of information about the Customer

- 10.1 Information provided by the Customer when entering the contract will remain confidential and will only be used in connection with payment demands or when sending material and information about A/S Storebælt.

### II. Venue and choice of law

- 11.1 The Agreement between the Customer and A/S Storebælt is subject to Danish law and disputes are settled at the Customer's venue.
- 11.2 For passage/service with one of A/S Storebælt's partners, the rules on disputes apply which are deemed to be agreed or otherwise apply to the passage/service in question.
